

# MOHD MERA AZ

Aspiring Software Developer

meraaz0809@gmail.com | +91 8989246692 | Shiva Nagar, Iklehra, Chhindwara, Madhya Pradesh, 480449

**Portfolio** | **Linkedin** | **LeetCode** | **GitHub**

## EDUCATION

### Bachelor's of Technology

Technocrats Institute of Technology (CSE-Artificial Intelligence and Machine Learning)

CGPA: 6.8

Bhopal

2022 - 2026

### Senior Secondary

Kendriya Vidhyalya (Mathematics | Computer Science)

Percentage: 80%

Barkuhi

2019 - 2021

## EXPERIENCE

### Codesoft | Android Developer Intern

Remote Internship | June 2024 - July 2024

Completed an Android Developer internship, gaining hands-on experience with Jetpack Compose for modern UI development.

Developed a To-Do list application using Kotlin and Jetpack Compose, implementing features like task addition, editing, and deletion.

## SKILLS

Programming Languages: C++, Python, Kotlin, XML, Java, HTML, CSS

Tools / Platforms: Github, VS Code, Service Now

Databases: MYSQL, Room DB

## PROJECTS / OPEN-SOURCE

### Contact Management System | Link

C++, File I/O, Exception Handling

Created a reliable C++ command-line program for effective contact management.

Implemented functions with thorough error handling, including adding, searching, and validating contacts.

In order to guarantee data integrity and dependability, C++ was used for file I/O operations and exception handling.

### Hospital Management System | Link

Tkinter | MYSQL

Created a Python hospital management system with MySQL integration and Tkinter GUI.

For user-friendly data administration, an interactive data entry form and database visualization were created.

Made a contribution to the Tkinter GUI development, concentrating on improving functionality and automating medical procedures.

## CERTIFICATIONS

- Azure Fundamentals (AZ-900) - **Microsoft**
- Basics of Python | SQL | Java - **HackerRank**
- The Complete Android 14 & Kotlin Development - Udemy.
- System Administrator - **Service Now**
- Complete Machine Learning & Data Science Program - Geek For Geeks.

## HONORS & AWARDS

- 5 Star(C++) | 3 Star(Python) coder at Hackerrank
- Secured second place in an inter-college coding quiz competition
- Successfully passed the "Pariksha Pe Charcha 2020" examination and had the honor of meeting the Honorable Prime Minister.
